Re: Request for a Review
CC Docket No. 02-6

Applicant Name: Academy of Math and Science
Form 471: AMS471-8-1
Billed Entity Number: 222618
Form 471 Application Number: 487009
Funding Request Numbers: 1351542, 1351543, 1351545, 1351546

USAC Administrator's Decision on Appeal – Funding Year 2005 – 2006 Dated
August 17, 2005

To Whom It May Concern:

Our Form 471 Application Number 487009 was denied because it was postmarked February 22, 2005, which was after the 2005 – 2006 filing window, which closed at 11:59 p.m. EST on February 18, 2005. We had trouble obtaining the deadline from the USAC website, which caused the delay in filing. We wrote an appeal to the USAC SLD unit dated April 18, 2005. It was denied by USAC in a letter dated August 17, 2005. It is our understanding that the FCC is reviewing previous denials by USAC for minor errors in the application process. We believe our filing error was minor and would like the FCC to consider our current appeal under CC Docket No. 02-6. Thank you for considering this additional appeal.

Sincerely,

Lee Bergman
